CORPORATE PROFILE & CAPABILITIES BROCHURE

MARRONGANE & MUCAI CAPITAL SU LDA.

Your Strategic Multi-Sector Partner in Industrial Supply, Logistics & Technical Execution

About Us

Marrongane & Mucai Capital SU Lda. is a dynamic and diversified Mozambican enterprise positioned as a comprehensive multi-sector partner. Leveraging a vast license portfolio spanning specialized commerce, heavy logistics, industrial maintenance, and specialized technical services, we deliver integrated, end-to-end solutions tailored to heavy industries, mining, construction, transport, and commercial sectors.

> **Our Commitment:** Eliminating the complexity of managing multiple vendors by providing a single, reliable ecosystem of products, technical services, and logistical support across Mozambique.

Mission, Vision & Values

Mission

To empower industrial, commercial, and infrastructure growth across Mozambique by providing reliable supply chains, specialized technical execution, and efficient logistical support, maintaining the highest standards of safety, quality, and professionalism.

Vision

To become a benchmark multi-sector enterprise and preferred strategic partner in Mozambique and the region, recognized for operational excellence, comprehensive service integration, and unwavering reliability.

Core Values

- **Integrity:** Absolute transparency, honesty, and ethical compliance.
- **Excellence:** Superior quality in every product and service.
- **Safety:** Uncompromising dedication to worker safety and environmental standards.
- **Versatility:** Holistic, turnkey solutions for complex operations.

Core Business Pillars

1. Wholesale & Commerce

Light/heavy vehicles, parts, extraction machinery, construction materials, chemicals, metals, IT & telecom hardware, PPE, and consumer goods.

2. Logistics & Transport

Intermodal transport, freight forwarding, customs documentation, port cargo handling, steevedoring, storage yards, and terminal support.

3. Technical Services

Maintenance of heavy engines/pumps/compressors, electrical installations, piping, HVAC, metal fabrication, and extractive sector support.

4. HR & Asset Solutions

Technical recruitment, camp management, industrial cleaning, operational asset leasing (vehicles/equipment without operator), and technical consultancy.

Why Partner With Us?

Operating in high-demand sectors requires a partner who understands local realities and international standards. Marrongane & Mucai Capital SU Lda. combines deep local roots in Mozambique with a multi-disciplinary license framework, enabling our clients to streamline operations, reduce downtime, and accelerate project delivery.
